

a note from the

HALLSVILLE yearbook staff

Dear Member of the Area Business Community,

As a prominent member of the business community who takes pride in our students, staff, and in the Hallsville Schools, I appreciate your support of the school in the past and the contributions you make to the quality of life in Hallsville and the area. Our businesses truly support education and every aspect of it that is represented in our Bobcat Yearbook.

The yearbook staff of Hallsville High School needs your support! Our funds depend solely on ads and yearbook sales as the school's monetary budget doesn't include the yearbook. It's a great way to advertise your business, help out the yearbook staff and every student of Hallsville High School at the same time.

It is estimated that at least five people will see each copy of the school's yearbook. Last year, almost 400 copies were sold. This means that approximately 2,000 people could see your ad!
