

Welcome to the dual enrollment program at LeTourneau University! LETU provides a convenient online registration process using DualEnroll.com. Here's how to register for your LETU course(s).

## First Time Students - Create an Account

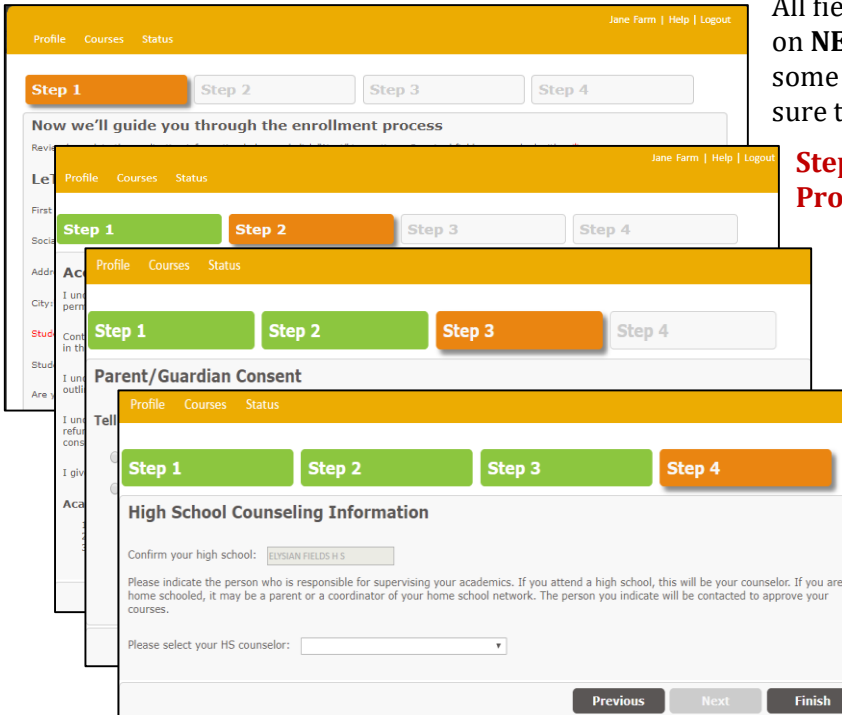

You can register by computer or right on your smart phone by entering <https://letu.dualenroll.com/login> and using the link to create a new account.

Complete the **New Student Registration** form to create your account. Provide all information including a login name and password. All fields marked with a red asterisk (\*) are required. You must provide an email account and/or cell phone number to create the account. If a cell phone is used, standard text message rates apply.

Once you click **CONTINUE**, you'll receive either a text message with an activation code or an email with a link to confirm your account. You must confirm your account before you can proceed with the registration. *If using email, be sure to check your junk and spam folders for the email.*

**LETU has a four-step pre-registration process: Each step must be completed before you can be registered.**

### Step 1: Complete Enrollment Application

All fields with an asterisk are required. Click on **NEXT** when complete. Please note that some browsers auto generate fields, so make sure the student's name is listed on the app.

### Step 2: Accept LETU Terms and Program Expectations

### Step 3: Parent/Guardian Consent

Enter email address for parental consent or select to print and scan your signed consent form.

### Step 4: Select Guidance Counselor/Course Approver

Select your guidance counselor from the dropdown list box. If you are home schooled or attending a non-partner school, provide the information requested about the person responsible for your academics. (Usually your parent.) Make sure they know they will be receiving an approval email from DualEnroll.

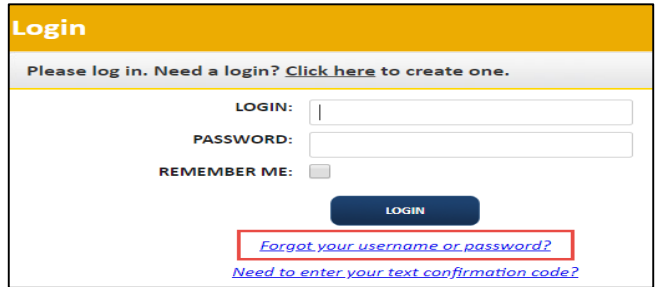

Click **Finish** when complete..

**Your account is now ready for use and you can begin registering for courses.**

## Returning students and Registering for Classes

If you've forgotten your user name or password, we have you covered. You can retrieve your user name and/or reset your password using the link on the login screen. Please note that your **MyLetu** login and password is not the same unless you set it up that way.

Once logged in, click on the **Courses** tab to review the course list.
